## (RECALL PLAN)

### FLY WELLNESS PRIVATE LIMITED

In The event that if our products, that presents a threat to the public health or food that violate the Act and Rules and Regulations made there under Fly Wellness Private Limited will protect public health by facilitating the efficient, rapid identification and removal of unsafe food from the distribution chain and, by informing consumers of the presence in the market of such food. There is a documented recall procedure in place and this will be periodically tested to ensure that it is comprehensive and fit for purpose in its ability to remove an unsafe food from consumers and/or the distribution chain.

### Recall Procedure

#### Introduction

This procedure states the action M/s Fly Wellness Private Limited will take to effectively manage the food recall in case the food does not meet the requirements of the hygiene, safety and quality of food as well as protect the health of consumers. An effective product recall will ensure that the unsafe or food that violate the Act and Rules and Regulations made there under is contained and either destroyed or rendered safe. We will refer to and follow instructions when required which are laid out in the following documents:

- . Food Safety and Standards (Food Recall Procedures) regulation, 2017
- . FSSAI Website ([www.foscoc.fssai.gov.in](http://www.foscoc.fssai.gov.in))
- . Guidelines for food recall plan

### Roles and Responsibilities

It is our Fly Wellness Private Limited responsibility to effectively organize and manage the recall of food that represents a threat to the public health or food that violate the Act and Rules and Regulations made there under and to formulate a broad level recall plan as per FSSAI guideline on recall plan.

FLY WELLNESS PRIVATE LIMITED

### **Decision to Recall**

The decision to recall will be submitted to the CEO FSSAI (Alapati Rajendraprasad Contact No. 8151800018) Notification of a product recalls if the decision is taken to initiate a recall, we will notify:

#### **Notification of a product recall**

If the decision is taken to initiate a recall, we will notify:

Senior management of Fly Wellness Private Limited supply chain personnel:

- Food Authority.
- Anyone that has received our product, including distributors, wholesalers, retailers and caterers.
- Consumers, via the media contacts included on our contact list.

The contact list must contain the contact details for the following:

- The products recall committee and senior management and key company personnel.
- Suppliers of all ingredients.
- Downstream Food Business Operator and business customers.
- Sources of technical advice and support including laboratory facilities.
- Regulatory Authorities.

#### **Regaining control of affected stock**

The recovered product/s will be stored in an area that is separated from any other food products. Accurate records will be kept of the amounts recovered and the codes of the product/s. If the recovered product/s is unfit for human consumption, it may be destroyed or denatured under the supervision of the company management and/or the regulatory authority where legally required.

If the food safety risk can be safely removed from the recovered product/s through relabelling or reprocessing this may be done once it is clear that public health will be protected.

#### **Recall Status report**

Periodic status reports will be submitted to the CEO, FSSAI after the notification of the recall for assessing the progress of the recall.

The frequency of such reports will be determined by the relative urgency/gravity of the recall and will be specified by the concerned food authority for each recall. However, in any case the reporting interval shall not be more than 1 week.

FLY WELLNESS PRIVATE LIMITED

---

### **Post recall report**

Recall management team will submit post recall report to the CEO, FSSAI after completion of the recall to assess the effectiveness of the recall.

In addition, Fly Wellness Marketing Private Limited will investigate the reasons that led to such recall and will take action to prevent recurrence of the problem.

### **Termination of a recall**

Fly Wellness Private Limited may request termination of the recall by submitting a written request to the CEO, FSSAI along with the latest recall status report stating that the recall was effective. The recall will be terminated when the FSSAI determines that all reasonable efforts have been made in accordance with the recall strategy and it is reasonable to assume that the food product subject to the recall has been removed and proper disposition or correction has been made commensurate with the degree of hazard of the recalled food product. Written notification that a recall is terminated will be issued by the Food authority to the company.

In case of unsatisfactory reports, the FSSAI may consider further action like stepped-up inspection, seizure or any other legal action, against the Fly Wellness Private Limited.

### **Follow up action**

We Fly Wellness Private Limited will submit an interim report as soon as recall is completed to the regulatory authorities within an agreed timeframe of the closure of the recall in any case not later than thirty days after the completion of a recall. The final report will include the elements outlined in the FSS (Food Recall Procedure) Regulations, 2017.
